W.T. WOODSON HIGH SCHOOL BAND

OVER-THE-COUNTER MEDICINE SHEET

In agreement with FCPS guidelines, the chaperones on band trips and during Band Camp need a list of all medicines, prescription and over-the-counter, your student will be permitted to take while on a trip or during camp. Please remember that chaperones may not administer any over-the-counter medicines listed below without your permission. If a medicine is not on our list, you must provide it and list it in the top half of the form. The medication must be in the original container.

Emergency prescription medicine may be with a student, e.g. Inhales and Epi-Pens. All other medicines will be kept with the First Aider or Chaperone. Prescription Medications must be accompanied by a FCPS Medication Authorization Form and must be signed by the prescribing physician.

Please fill out the Over-the-Counter Medicine Sheet below and return with the registration materials.

Student's Name _____

Over-the-Counter Medicine (not listed below) and Dosage left with Chaperone

Medicine	Dosage

I understand illnesses and accidents occur, and the Chaperones have my permission to give my student the recommended adult dosage [unless I have indicated another dosage] of the following over-the-counter medicines. (Chaperones will be carrying only these over-the-counter medicines):

Medicine	Yes	No
Zyrtec		
Claritin		
Advil		
Benadryl		
Cough/Throat Drops		
Dramamine		
Neosporin		
Tums		
Tylenol
