Luggage and Medication Check-in Tuesday Night

Grab your mouse ears it's time for Disney! A couple of important things before we leave.

Tuesday is medication and luggage drop off. **Seniors/Juniors from 6-6:30pm and Sophomores/Freshmen from 6:30 to 7 pm.** Please enter the band room from the parking lot. There are three stations to visit:

1. First Aid: Verify any OTC med authorizations and turn in any prescription medication. Remember to bring only the dosage needed for the trip in the original prescription bottle. **Medication must be turned in by a parent.**
2. Uniform check: Please have your band polo, minimum 5" inseam flat front khaki shorts (no cuffs/cargo pockets/tabs), white no-show socks and clean sneakers on top for inspection.
3. Luggage: Check in by bus. Pick up a color coded tag with your name on it. If you inspected your child's luggage, then you must bring it to the inspection table. If students carry in luggage, it will be inspected. Tag will be attached to luggage once it is inspected, and it will be locked in a room until it is time to be loaded on the bus.

****If your child is NOT returning to Woodson on the bus, Mr. Morgan sent out a form today for you to bring to luggage drop off, or we will have copies there. Please note, there are only 2 options to retrieve your child's luggage. First is to pick it up at the hotel at 6am on Saturday before we load for the workshop. Second is for your child to carry it into Animal Kingdom and rent a storage locker for the day. Lockers are only 12" deep and 17x16. Cost is \$10/day plus a refundable \$5 key deposit. You will coordinate with your child's assigned chaperone for pickup before 9pm on Saturday**
