

REMINDER: Wind Ensemble will be having pictures taken at 1pm on Monday, October 8. Please arrive no later than 12:30pm. All Wind Ensemble uniforms are in the uniform closet, including tux shirts, shoes and pearls for new members. With the exception of putting on tuxes and dresses at school, all uniform procedures should be followed, including hair and jewelry. See band website for concert uniform expectations. Many returning students did not bring cummerbunds/ties and pearls to uniform fitting day (UFD). You must bring these items on Monday. Please arrive prepared!

Boys: Plain white crew neck undershirt. Clean tuxedo shirt, plain black dress socks and clean black band shoes. Cummerbund/tie if you did not bring to UFD.

Girls: No Sports Bras. Black trouser socks. Black concert shoes. Pearls, if you did not bring them to UFD.

After the pictures are taken, students will change back into street clothes for rehearsal and uniforms will be turned into the uniform closet to be maintained until VMEA. Tuxedo shirts will be taken home. Thank you for your help to make this a great publicity photograph for the band!
