

FCPS Woodson HS Band - Charms Office

Hello everyone,

As you know, for each concert cycle in Concert Band and Symphonic Band, we need to have a few after school rehearsals to pair the wind parts with the percussion parts. To prepare for our assessment concert cycle, each ensemble is having two outside of class rehearsals. In addition, percussionists should plan on "flipping" into their corresponding band class on the days listed below. Students playing in an additional ensemble should take note of the return and after school schedules as well.

Concert Band:

February 20 - 3:20-5:00pm

February 21 - 6th Return

February 27 - 3:20-5:00pm

March 5 - 6a/6b Return

Symphonic Band:

February 25 - 1st return

February 25 - 3:20-5:00pm

March 4 - 3:20-5:00pm

March 7 - 1st return

These rehearsals are critical to our success and are therefore required. Please make these few after school rehearsals a scheduling priority. Thanks,

AM
