

Hello everyone,

Apologies for the late email. For ALL assessments, I have a slight travel update that will hopefully make things easier for all.

- For students that drive, per the admin, you are permitted to drive directly to Centreville HS for assessment. The report times **MUST** be obeyed and late students will face a significant grading penalty. Students driving **MUST** have written permission from a parent to drive to this school event. Written permission can be a note or an email to me from a parent.
- Parents, students can be picked up from directly from Centreville. Come see your student perform and then take them home! All students being picked up from CHS **MUST** have written parent permission prior to the event. Students can be picked up by someone other than their parent, but only with prior written permission that specifically lists the person picking that student up.
- Students leaving with a parent or on their own must check out with a chaperon.

These rules should hopefully help make things easier, but I need this info in writing so we can make sure we are keeping track of everyone. All students and parents must comply with these guidelines; this is still an FCPS field trip.

Concert Band students and parents:

- Remember to bring your uniform to WTW in the morning. Racks are out for your use. **DO NOT FORGET YOUR UNIFORM**, including shoes, socks, etc.
- Dismissal time from class is 11:50. Students should report to the band room, eat if they haven't yet, and then change.
- Students will ride the bus to CHS
- Around 3:00pm, we are finished with assessment. As previously stated, we are unable to board a bus to return until around 5pm. It is **STRONGLY** encouraged that parents pick their student up from CHS.
- Students picked up should bring all of their belongings with them, including their garment bag. The band room will be locked until the bus returns sometime after 5pm.
- A remind will go out when the bus is leaving Centreville.
- If you filled out the Google form to pick up your students, please still send me an email notifying me of the student's dismissal.

Thanks everyone! Excited for a fantastic bunch of concerts.
