Car Washes

Let's Get Wet!! It's time for the Woodson Band Summer Car Washes. There are three dates and we need lots of student and some parents, too. July 20, August 3, and August 10.

These can be great fund raisers for the band if students and the weather come together to clean up cars in the community. Signup for your slot here:

This is a great way for band (marchers and non-marchers) and guard members to meet others and earn service points toward their letter. Which section is going to wash the most cars this year???

*Work with her on Band Picture Day to line up students by section so the event goes faster.

*when photos come in help distribute them to students.

Marching Band Calendar Attached.

Check the band website for updates on band camp. All parents are asked to volunteer one time slot during band camp (day and evening times will be available) to help in case students have a headache or heat issues. This allows band staff to focus on teaching the drill. It's fun to see the show start to take shape, and it's easy duty – the equipment crew sets up a canopy and carts water to the field for us. We bring our own chair, and the first aid bag for the band. No experience necessary.

Hope you are having a great summer!
