District Band Volunteer Thank You!

From food/drink donations, to set up, ticket sales/student check-in, selling concessions, chaperoning, hosting, and clean up, many thanks for your help with District Band! There are many different behind the scenes details that need to be taken care of for this event. We definitely could not have done it without the assistance of the band families. We even had a few parent helpers from Frost. Many hands make light work! Another District Band in the books.
