Dress Care

W.T. Woodson Bands will provide you with an appropriately fitting dress, garment bag and hanger and will have it altered, if necessary, to fit you. If you need additional alterations during the school year, please contact a uniform parent volunteer, at least 2 weeks before a concert. If during the school year you have a partial loose hem, please have it repaired.

Dress / Garment Bag Washing Instructions

During the school year, it is highly recommended that you wash your dress as needed. However, all dresses and garment bags must be washed after your last performance and returned in June 2023. After your last performance, please remove your name tag from the garment bag before washing in cold water, after drying, reinsert your nametag.

Wash dresses in cold water, delicate cycle and hang dry.

A signed, dated note must be placed in the back zipper pocket of the garment bag indicating your dress has been washed. Your dress, garment bag and hanger must be returned to the band room. Shoes and socks remain at home. If you are returning to the band, you will need them the following year.
