

## Faberge Show Top Washing Instructions

The new show tops will only be worn during the competition performances (4 total) therefore they should not require laundering during the marching show season, however if necessary due to smell or stains please launder per the following instructions.

FRONT

BACK

1. Show tops should be **HAND WASHED** only. Due to the material used and the digital printing process washing machines should not be used.
2. Use a mild detergent in **COLD** water to hand wash.
3. Fully rinse any residual soap from the top and **LAY FLAT to AIR DRY**. DO NOT use a machine Dryer.
