Winter Guard 2024/25

Thanks to everyone who attended the tryouts and welcome to the start of the Winter Guard Season!!

Our director, Hunter McDaniel, has a great show theme for this season and we are looking forward to seeing the show develop. The Registration Packet is being finalized as well as the rehearsal schedule coordination with student activities. As soon as the registration packet is approved we will push it out via CUTTIME and the webpage (www.woodsonband.org)

If you missed the tryouts and are still interested, just let Hunter (hunter.cade.mcdaniel@gmail.com) or Shane (sgilbertnfo@gmail.com) know and return your filled out registration packet.

Marching Band & Guard Celebrations

Let's celebrate the end of a successful marching season! We have TWO celebrations this week. The Marching Band & Guard Awards Banquet will be held at the Woodson

cafeteria TODAY Nov 14th from 6:30-8:30 PM. The Marching Band & Guard End of Season Party will be at Van Dyck Park this Saturday Nov 16th from 4-7 PM.

It's not too late - please sign up in the EVENTS section of CutTime to volunteer your time and/or donate food for these potluck events. We couldn't do it without parent support!

Tiny Tots Update

The Tiny Tots show is just around the corner! Rehearsal will be on Dec 3 at 3 PM and the shows will be on Dec 4 & 5 at 10 AM at Woodson (students dressed by 8 AM). This is a beloved event for kids in the community - so far, we have 400 RSVPs for Wednesday and 225 for Thursday!

We need YOUR help to make make this highly anticipated event a smashing success!

Students - there are still a few cast member spots open, including the Princess (an essential character) and Toy Story characters!

Parents - there are still plenty of volunteer spots open! If you haven't had a chance to volunteer during marching season (or even if you have), now's your chance to see your kids in action! No experience needed, and it's a lot of fun!

Please sign up in the EVENTS section of CutTime.

Please reach out to Kristin Vetere (HOLIDAYTUNESFORTOTS@gmail.com) with questions.
